

Queen's is an exciting and ambitious young company, working differently to every other in the sector. We appreciate that the standard of our work is a direct reflection of our employees commitment and enjoyment within their role.

## Fine Art Technician

We are seeking a dedicated and conscientious art technician to join our team. The role is incredibly varied and would suit an experienced individual with drive to further their career, skill set and contribute significantly to the success of the company.

Working within a small team responsibilities will include:

- Deliveries and collections of art works
- Wrapping, packing, unpacking and installing fine art works
- Loading and unloading art works
- Completion of all necessary paperwork
- Travelling internationally
- Collaborating on creative installation solutions
- Warehouse management and upkeep
- Inventory management

Experience required:

- 1+ year of art handling experience
- Warehouse experience/management
- Use of warehouse management/logistics software

Qualities required:

- Flexibility
- Excellent communication skills
- Excellent customer service skills
- Full clean UK Drivers License

The offer:

- Competitive salary
- 25 days holiday plus bank holidays
- Pension scheme
- Fantastic opportunity for career progression

*If you are interested in applying for this position, please forward a copy of your CV and a covering letter to [info@queensfineart.com](mailto:info@queensfineart.com)*
